

## KJ - 5E Keystone Jack

Kingz provides a series of RJ-45 jacks for UTP modular systems. These are available in 8 pin RJ45 contact arrangements for both Category 5e and Category 6 Cabling solutions. The 90° design is most easily used in any vertical termination situation. This jack can be terminated with dual tools. It also works in the 24 port patch panel.

### Features :

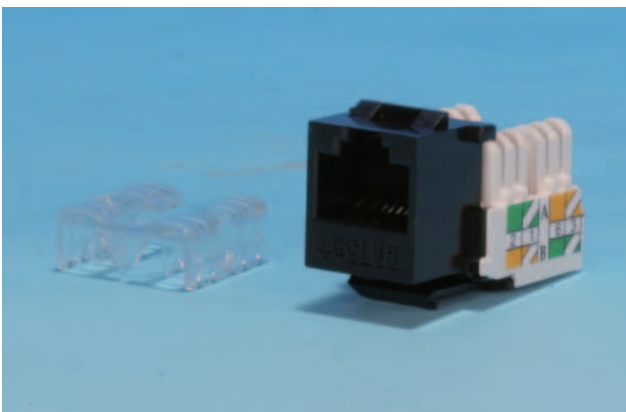

1. UTP 90° jack
2. UL safety listed
3. UL & ETL TIA/EIA-568B.2 Cat5e performance verified
4. UL94V-0 fire retardant plastic
5. Meets FCC part 68 Subpart F and IEC 60603-7
6. Customized colors available

### Applications :

1. For Ethernet UTP solutions
2. Fits standard applied faceplate
3. Fits in Kingz 24 Port patch panel
4. Fits in Kingz Surface mount box

## K J - 6 Keystone Jack

Kingz provides a series of RJ-45 jacks for UTP modular systems. These are available in 8 pin RJ45 contact arrangements for both Category 5e and Category 6 Cabling Solutions, The 90° design is most easily used in any vertical termination situation. It can also be inserted into our 24 port patch panel.

### Features :

1. UTP 90° jack
2. UL safety listed
4. UL & ETL TIA/EIA-568B.2-1 performance verified
3. UL94V-0 fire retardant plastic
4. Meets FCC part 68 Subpart F and IEC 60603-7
5. Customized colors available
6. Meets IEEE 802.3 ab specification
7. With dust-cover design

### Applications :

1. For Ethernet UTP solutions
2. Fits standard keystone faceplates
3. Fits in Kingz UTP 24 port patch panel
4. Fits in Kingz UTP Surface Mount boxes

## KJ - 5EF Keystone Jack

King's 90° Category 5e fully shielded keystone jack has been designed to meet the high performance requirement of high bandwidth applications. It passes the 10m short link test. The jack can be terminated using either T568A or T568B wiring scheme based upon your choice. It can also be terminated using dual tools.

### Features :

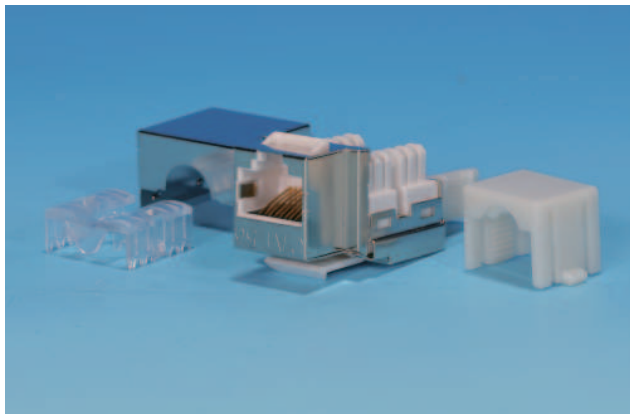

1. FTP 90° jack
2. UL safety listed
- 3 .UL & ETL TIA/EIA-568B.2 performance verified
4. Meet FCC part 68 Subpart F and IEC 60603-7
5. UL94V-0 fire retardant plastic
6. Meet IEEE 802.3 ab specification
7. Effectively prevents cross-talk

### Applications :

1. For Ethernet FTP solutions
2. Fits FTP keystone faceplate
3. Fits in Kingz FTP 24 port Patch panel
4. Fits in Kingz FTP Surface Mount boxes
